FULL DESCRIPTION OF DEVELOPMENT OF CURRENT APPLICATION THAT THIS AMENDMENT RELATES TO	
State details of amendments proposed. (Give a full detailed list of the changes, and also mark these clearly on the accompanying plans. Only the changes listed here will be considered)	The amendment follows concerns that the roof of the proposed annexe would oversail the boundary with No. 56, therefore, the proposed annexe has been moved away from the boundary as shown in drawings (by 500mm in total). In addition, concerns that the vegetation being removed belonged to the neighbouring site are now marked by clear evidence of the notional boundary between the sites. Finally, the Silver Birch Tree T3 that has previously been shown as fell is now kept, as well as part of the rear hedge H2.
