DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, copied, photographed or used for any other purpose without the written permission of G. R. Merchant Ltd. Any discrepancies in the dimensions or levels shown on this drawing including boundaries are to be reported to the Architect. All details shown on this drawing including boundaries are based upon Ordnance Survey information and are not to be taken as a definitive survey. No responsibility can be accepted for any inaccuracies in the information contained and does not purport to contain a full specification of the works. It is the responsibility of the contractor to satisfy himself as to the suitability of ground conditions, design dimensions may be considered. Site soil surveys are recommended in respect of foundation design and drainage. Any discrepancies in the information shown on this drawing are to be reported to the Architect before any work is put in hand. This drawing is to be read in conjunction with all other relevant drawings and specifications. Any work is to be carried out in accordance with the latest British Standard Specifications, Building Regulations, Codes of Practice and Local Authority requirements. The Contractor is to be responsible for obtaining all necessary approvals and for the payment of all fees in connection with the works. The Contractor is to be responsible for the adequacy of all temporary works, shoring and bracing during construction and for the stability of the building and parts of the building until the structure is complete and self supporting. The Contractor is to be responsible for ensuring that adequate insurance cover is in force during the period of the contract. This drawing is not to be used as a contract document unless. The works will not be supervised or inspected on site by G.R. Merchant Ltd. unless specifically instructed to do so. The Contractor is to be responsible for ensuring that all work is executed in a workmanlike manner with adequate supervision and is carried out in accordance with the requirements and recommendations of all relevant British Standard Specifications, Building Regulations, Codes of Practice and Local Authority requirements. The Contractor is to be responsible for ensuring that adequate insurance cover is in force during the period of the contract. This drawing is not to be used as a contract document unless. The works will not be supervised or inspected on site by G.R. Merchant Ltd. unless specifically instructed to do so.
