EXTERNAL DOORS

BOARDED DOORS & GATES

FLB & LB doors are available on pallet lots from JELD-WEN + See page 2 for details

A range of traditional, utility tongue and grooved doors and garden gates is available manufactured from unprimed v-jointed redwood, in solid or engineered construction.

They are supplied pressure vacuum preservative treated and are only suitable for external applications and must be finished with a high quality paint system.

FL&B

Made with 14mm finish tongued and grooved v-joined redwood.
Braces loose pinned.

L&B

Made with 20mm finish, v-jointed, tongued and grooved redwood board. Braces loose pinned.

Stable Doors

Made with 14mm finish v-joined, tongued and grooved redwood board. Braces not required.

Supplied in two parts, for inward opening.

Garden Gates

All garden gates are preservative treated. Optional base coat stain is available on hardwood gates.
