DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information scheduled and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any nominated Person. It is the client or their appointed agents responsibility to appoint a competent person to supervise the works. Any variations to specification, variations to contract etc. All materials to be of the best respective kind of components and materials etc. to be used fixed and installed as to strict manufacturers instructions and recommendations. Work carried out in connection with Building Regulations shall conform to appropriate British standard specification or British code of practice where applicable. The Employer / Client shall ensure that the selected contractor is competent and will adopt all reasonable necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be employed. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included, it is the other / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
