DO NOT SCALE FROM THIS DRAWING This drawing is copyright and may not be drawn, know, photographed or used for any other purpose other than for which it was intended. The Client Director is to stand all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including alterations are based upon typical site information unless otherwise stated. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the architect by the design representative who has been consulted. Site and survey are recommended in respect of foundations to establish specific soil conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the duty of their appointed agents responsibility to accept reasonable satisfaction, accountability of materials, adherence to specifications, variations to contract etc. All materials to be new unless otherwise specified and all components and materials, to be used fixed and installed etc, in strict accordance with manufacturers instructions and relevant code of practice. Materials and contractors to accompany full chain certification with UBA certificates or equivalent and evidence of insurance cover. The Employer / Client is advised that the selected contractor is responsible for and accepts all material liability in relation to compliance with Health and Safety Regulations and all relevant British Standards. The Employer / Client is advised that should the works require to comply with the Construction Design and Management Regulations (Commenced 1st January 2005) then the Employer / Client shall ensure that they are shown on drawings and details. Details that may not necessarily comply with them may be reasonably included in necessary to complete the project.
