Date: DEC '06	Drawn: SLH

Scales
1/50 1/100

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reused, photographed or used for any other purpose other than that for which it is issued. The Owner or Contractor is to check all dimensions on site and report any discrepancies to the Architect. All waste shown on this drawing including the materials and components listed is for estimating purposes only. The Contractor is responsible for minimising waste throughout its duties which may be disproved during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations. To establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is intended to be read in conjunction with the Preliminary / Bulk Bills, Specification and Schedules of Work prepared by the Quantity Surveyor, Engineer, Architect or other professional acting for the Employer or its Nominee or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, commercial or specification, variations to contract and materials to be new unless otherwise stated and all components and materials are, to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform in appropriate British standard specification or EEA certificate or European technical approval. The Contractor shall give all notices, pay all fees and comply with regulations and obtain and access all necessary consents to relevant authorities and Health and Safety legislation for Building does own work passes. The Employer / Client is advised that should the works need to comply with The Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details, Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be instructed. It is the Land / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbours boundaries.
