DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and must not be altered or reproduced without permission. It is to be read only in conjunction with any other drawings and specifications that may be issued. The Surveyor/Contractor is to check all dimensions on site and report any discrepancies to the architect. All details shown on this drawing including boundaries are based upon topical site conditions related to this area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect on that design amendments may be considered. Site and services are recommended in respect of trial holes. Any information shown on this drawing relating to existing buildings is based upon a visual inspection only. No removal of information omitted and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a standard document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control and supervise the works, obtain all materials and goods to specification, variations to be confirmed in writing. All workmanship and materials to be in accordance with the current British Standard Codes of Practice and Institute of Building Control requirements. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all reasonable necessary to restore compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to alter the Party Wall or boundary structure, then the appointment of a Party Wall Surveyor under the Act will be required. The works are the principles of as that is shown on the Planning and Building Control Details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
