DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, stored, photocopied or used for any other purpose other than that intended by the Client without the written permission of the author and no liability will be accepted for any such unauthorised use. All dimensions are to be checked on site and any discrepancies shall be reported to the Architect. All details shown on this drawing are subject to and based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the extent of information contained and does not purport to contain a full specification of the works. It is intended that this drawing be read in conjunction with the specification prepared by the Architect and used as a contract document where, "the Architect will be employed on the Site by (a) the Members or any representative thereof, it is the client or their appointed agents responsibility to inspect workmanship, installation of materials, comparison to specification, variations to contract and materials to be new unless otherwise stated and all components and materials are, to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European equivalent. Where the Architect is employed on the Site by (a) the Members or any representative thereof and adopts all of these time responsibility to contractors compliance with health and safety legislation for Building sites and Work places. The Employer / Client is advised and should this works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details, and all that is reasonably implied by the drawing and specification whether mentioned or not, but shall not be deemed to be included, it is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity or applying neighbors boundaries.
