DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are subject to the Building Regulations and any other local authority requirements. Any variations and conditions which may be discovered during construction shall be reported to the Architect so that design amendments may be considered. This soil survey are recommended in respect of foundations to establish specific site conditions. Identification work is necessary. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is intended to be interpreted in conjunction with the Building Regulations and other relevant data and is to be read in conjunction with all other drawings and documents prepared for the scheme. No liability will be accepted by the Author of any representative thereof. It is the client or their appointed agents responsibility to control and normally, substitution of materials, workmanship to specification, variations to workmanship and materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. to strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European equivalent where applicable. The Contractor shall be responsible for obtaining all necessary approvals and advice of measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
