Town and Country Planning Act 1990

Refusal of Planning Permission

Reference: H09/1379/01 Received: 04-DEC-01 Type: FULL

Name: D R Bridger
44 Little Common Lane
Holbeach
Spalding
Lincs PE12 8BQ

Agent: D R Bridger
44 Little Common Lane
Holbeach
Spalding
Lincs PE12 8BQ

Description: Siting of mobile home (retrospective)

Location : Bridge Farm Holbeach Clough

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is outside the confines of a settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to Policy H3 of the adopted South Holland District Local Plan and Policy 13 of the Lincolnshire Structure Plan Review. These policies are in accordance with national planning policies set out in Planning Policy Guidance Note No. 7, 1997 (The Countryside - Environmental Quality and Economic and Social Development), and are aimed at the conservation of agricultural land, the preservation of the character of the countryside, and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purposes of these policies because, as well as its individual effect on these issues, it would form a precedent for further similar proposals which would be difficult to resist.

2 The site is within the indicative flood risk area as detailed on the Environment Agency 2000 Indicative Floodplain Map. The site is therefore at risk of flooding, and its development may also contribute to the increased risk of flooding elsewhere. Planning Policy Guidance Note No. 25 "Development and Flood Risk" (PPG25) requires that a Flood Risk Assessment be submitted in support of planning applications for developments which are at risk of flooding. This application

is not supported by a Flood Risk Assessment and is therefore not in accordance with PPG25.

3 The proposal is contrary to Policy E1 of the Adopted Local Plan in that it represents an intrusion into open countryside and is out of keeping with the general open character of the area by virtue of its siting, design and use of materials.

The determined plans are:
Site & location plans and photographs received 4 Dec 01.
