Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal ground conditions which may be encountered. Where trial excavations are required by the Building Control Officer, details may be developed. Site investigations are recommended to be carried out thoroughly to establish possible site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, workforce to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Any discrepancies found to the approved drawings or specification should be brought to our attention immediately. Figured dimensions are to be taken in preference to scaled dimensions. Any errors or omissions made explicit in the Approved Plans Certificate are to be corrected by the Developer's own contractor and details of measures taken to comply with the requirements of the Building Regulations are to be submitted. All Measured Works shall comply with the rules and practice of Standard Method of Measurement of Building Works and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the Drawing and details. Work that may not specifically be shown but may be reasonably believed as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
