DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions relevant to the area. No responsibility can be accepted for alternative conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to be undertaken possible after conditions before foundation work is undertaken. This drawing is issued for the purpose of information contained thereon only and does not purport to include all aspects necessary for the execution of the work by Building Regulation approval. This drawing must not be used for construction purposes alone. The works will not be supervised or inspected on site by G.R. Merchant or any consultants thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice, materials shall conform to appropriate British standard specification or British Board of Agrement where applicable. The Employer / Client shall ensure that the selected contractor is competent to undertake and execute all maximum necessary precautions to protect the health and safety of persons working on the site or affected by the works. Contractor is advised that should the works need to be notified under the Construction (Design and Management) Regulations an Independent Planning Supervisor will be required. The works used comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the (sic) land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
