DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area, no responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that construction work may be necessary. The Contractor is to ensure adequate temporary bracing is provided to maintain concrete steel and timber before, during and after construction work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a scanned document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and treated etc. in strict accordance with manufacturers instruction and relevant code of practice. Before use of surface to approved Local Authority Building Control Officer. Before use of drainage to approved Local Authority Building Control Officer and receipt of satisfactory test certificate or Building Control Completion Certificate. The Contractor shall be responsible for obtaining all statutory approvals and provide all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
