This drawing is copyright and may not be altered, traced, photographed or used for any other purpose than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to G. R. Merchant. All details shown on the drawing including foundations are based upon typical and conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the contract as that design amendments may be considered. Site soil surveys are recommended prior to the excavation of foundations to establish actual site conditions before the commencement work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full description of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be commenced or executed on site by G.R. Merchant or any representative thereof. It is the client or appointed agents responsibility to ensure workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used and installed etc. in strict accordance with manufacturers instruction and relevant code of practice, i.e. devices shall conform to appropriate British standard specification or BBA certificate or equivalent code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adequate all measures necessary to achieve compliance with Health and Safety Legislation for Building Sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent co-ordinator will be required. The work, shall consume of all that is shown on the drawing details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the work shall be deemed to be included.
