PROPOSED EXTENSION AND ALTERATIONS AT 91 SEAGATE ROAD LONG SUTTON FOR MR & MRS P CLARKE

DO NOT SCALE FROM THIS DRAWING
This drawing is the property of Julian Warrick Design Consultant and is subject to copyright. It should not be loaned, copied or used without consent. No liability will be accepted for amendments made by other persons. Any discrepancies must be reported immediately. Figured dimensions are to be taken in preference to scaled. Contractors must check all dimensions on site before commencing any shop drawings or manufacture of any components. Any discrepancies must be reported immediately. Drawings are to be read in conjunction with all relevant consultants' and specialists' drawings and specifications. Any variations are to be agreed with the Architect before proceeding. Materials and workmanship to comply with the relevant current British Standard Specification or Building Regulations Code of Practice. Any proprietary products are to be installed in accordance with the manufacturer's instructions. Do not scale this drawing. Use figured dimensions only. All dimensions are in millimetres unless noted otherwise. Work to be read in conjunction with all relevant Structural Engineer's drawings and specifications. All structural work is to be supervised by a suitably qualified person. Before commencing any excavation, trial holes are to be dug to determine the location of any underground services. Where excavation is adjacent to the highway, adequate support must be provided to the highway. Where excavation is adjacent to neighbouring property, adequate support must be provided to the neighbouring property. Where excavation is deeper than the foundations of neighbouring property, adequate support must be provided to the neighbouring property. Where excavation is deeper than the foundations of neighbouring property, adequate support must be provided to the neighbouring property. Where excavation is deeper than the foundations of neighbouring property, adequate support must be provided to the neighbouring property.
