

PROPOSED EXTENSION AND ALTERATIONS AT 91 SEAGATE ROAD LONG SUTTON FOR MR & MRS P CLARKE

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of Julian Warrick Architectural Design Consultant and is protected by the Copyright, Designs and Patents Act 1988. The drawing is issued on the condition that it is not copied, reproduced, retained or disclosed to any unauthorised person either wholly or in part without the consent of Julian Warrick Architectural Design Consultant. It is not to be lent, resold, hired out or otherwise disposed of without the written consent of Julian Warrick Architectural Design Consultant. Any breach will render the offender liable to prosecution and claims for damages. All dimensions are to be checked on site by the contractor before any work is put in hand or any materials ordered. Any discrepancies are to be reported to Julian Warrick Architectural Design Consultant before any work proceeds. Do not scale from this drawing. Figured dimensions only to be taken. All dimensions are in millimetres unless otherwise stated. Any discrepancies between the drawings and the specification are to be reported to Julian Warrick Architectural Design Consultant before any work proceeds. This drawing is to be read in conjunction with all relevant Structural Engineers, Specialists and Building Regulations drawings and specifications. Julian Warrick Architectural Design Consultant is not responsible for any errors or omissions in this drawing that are the result of inaccurate or incomplete information supplied by others. Julian Warrick Architectural Design Consultant is not responsible for any variations between this drawing and the building as constructed unless Julian Warrick Architectural Design Consultant has been notified in writing of the proposed variations and has given written approval to the variations. Julian Warrick Architectural Design Consultant is not responsible for any errors or omissions in this drawing that are the result of inaccurate or incomplete information supplied by others. Julian Warrick Architectural Design Consultant is not responsible for any variations between this drawing and the building as constructed unless Julian Warrick Architectural Design Consultant has been notified in writing of the proposed variations and has given written approval to the variations. Work that may not seem to be specifically detailed on the drawings must be carried out in a workmanlike manner and to the best trade practice. Materials must be fixed strictly in accordance with the manufacturer's instructions. Where no instructions are available, the materials must be fixed in accordance with the best trade practice. Any products specified by trade name may be substituted with an alternative of equivalent performance and quality. Any substitutions must be approved by the client and the Building Control Officer before being incorporated in the work. The General Contractor must be fully aware of the requirements of the Construction (Design and Management) Regulations 2015 and comply with the Construction (Design and Management) Regulations in all respects. CDM coordinator is to be appointed by the client. Party Wall etc. Act 1996: where buildings or lines pertaining to adjoining owner(s) is involved, Party Wall etc. Act 1996 notices must be served at least two months before commencement on any work affected by the works. The General Contractor must be fully aware of the requirements of the Party Wall etc. Act 1996 and comply with the Party Wall etc. Act 1996 in all respects.
