Proposal Proposed Extension & Alterations to Dwelling

The proposal seeks consent for the demolition of an existing conservatory, and replacement of a large side extension.

The proposal is in open countryside and therefore not within a conservation area. However, the site is within visual proximity to the grade II listed Red House, Jarvis Gate. Having said that, the proposal is of a scale, and at a distance from that asset that I do not believe that the proposal places the appreciation of that asset at risk.

No objections.
