Dear Planning

FLOOD RISK SUPPORTING STATEMENT

The site has been identified as being within flood zone 3:

1. My client is aware this area is at risk from flooding.

2. In an emergency horses shall be transported by trailer to a suitable livery yard/equestrian centre outside the risk area.

3. My Client is aware of the environmental details and literature for areas within a flood risk zone.

Kind Regards

Mark Bonner ACABE, LABCS, ADEA.
