Dear Sir

Planning Permission for extension at 26 Lancaster Drive, Long Sutton – Planning Permission H11/0315/02 refers.

I refer to the amendment to the extension subject of the above Planning Permission in respect of the en-suite window being moved from the south west elevation to the south east elevation and the whole extension being re-aligned by approximately 1 metre.

I have seen the amended plans and my wife and I are prepared to accept these alterations as a minor amendment.

Yours sincerely
