Description: Cart Barn - Retrospective

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The proposal by virtue of its scale, siting, and design, would not be in keeping with the character of the area. The proposal would result in a harmful appearance to the character of the area and would not make a positive contribution. Due to the garage being located forward of the principal elevation it creates an unacceptable harm to the street scene along this specific section of Seagate Road. Additionally, the lack of buildings/ features to the front of plots in the immediate area the garage will be a prominent and significant feature when viewing the street scene in such an open section of highway making it appear harmful and unacceptable.

In light of this, it is therefore clear that the proposal is at conflict with Policies 2 and 3 of the South East Lincolnshire Local Plan (2019) and the layout, design and consideration of the character and appearance of the area is unacceptable. These policies are in general conformity with Sections 12 of the National Planning Policy Framework (December 2023). It would therefore be contrary to both local and national policy in this regard.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
