SOUTH HOLLAND DISTRICT COUNCIL
REPORT TO PLANNING COMMITTEE
Date 14 JUL 1992

TYPE: Advertisement

DESCRIPTION: Illuminated signs including 1 Fascia, Roundel, Totem and two wall signs plus one directional sign.

LOCATION: Main Road Garage, Long Sutton

Parish Council: No objections.

County Highways: No objections.

Public Objections: Letter received from Owner/Occupiers of 47 Bridge Road (summarised).

- Main concern is the time of night that the signs are illuminated. Several times in the past I have had to remind the garage that the lights have been on late at night and sometimes in the middle of the night, which cause us some nuisance.
- Suggest that a time limit should be applied when they are switched off - about 10.00 pm to 10.30pm.

PLANNING POLICIES/DOE ADVICE
Outside IBD.

PREVIOUS DECISIONS
H11/0748/89 - Fascia signs and twin pole sign - Permitted.

PLANNING ISSUES

1 The determining issue in this particular case is whether the proposal would be detrimental to the amenities of the locality.

2 The proposed signs would have aluminium cases with the Vauxhall green background. The Vauxhall logo would consist of a white griffin on a red background whilst the lettering would have a grey face with opal edge and sides.

3 Only the logo, Vauxhall and dealer names would be illuminated. The directional and "welcome sign" would be non-illuminated.

4 Existing development in the area consists of a mixture of residential and commercial.

CONCLUSIONS

1 The proposal involves the removal of existing fascia, wall mounted and totem signs. As such there will not be a significant increase in the overall signage.

2 The signs are considered acceptable subject to a restriction on brightness. However, it is my opinion that a condition relating to hours of use cannot be justified in this instance since the area is partly commercial and the main road is also illuminated.

RECOMMENDATION - Grant Permission.

1 The lettering and logo only shall be illuminated in accordance with the plans accompanying the application.
2 SC61 - (Advert Brightness)...680 Candelas per square metre.
3 Before the proposed signs are erected the existing shall be removed in accordance with the plans accompanying the application.

Reasons

1 In the interest of the amenities of the locality.
2 In the interest of the amenities of the locality.
3 To avoid a clutter of signage, in the interest of the visual amenities of the area.

I look forward to your response in respect of the above within the next ten days, so that I am in a position to proceed with the application.

Dear Sir

Thankyou for your letter referring to the Main Road Garage application for illuminated signs, ref. H11/0391/92.

My main concern as being owner and occupier of the house directly opposite the garage site is the time of night that the signs are illuminated. Several times in the past I have had to remind the garage that the lights have been on late at night, and sometimes in the middle of the night, which causes some nuisance.

Therefore I would suggest that a time limit should be applied when they are switched off, about 10.00 - 10.30 p.m.,

I hope you take my request into account when the planning permission is granted.

Yours faithfully

John Nell
