Application	H11-0399-17
Location	Land adjacent: 44 Bridge Road Long Sutton Spalding PE12 9EF
Proposal	Proposed residential development

Name	J Reith
Address	Environmental Health Technician Safety and Environment

Date Submitted	25-05-17
For/Against	Comments

I request the contaminated land condition for this application.
We also have concerns about introducing residential properties to an area that has industrial use (for example the stonemasons on the industrial estate). I therefore ask that an acoustic assessment is carried out for this application.
