Description: Proposed two-storey extension

Location : BEECHTHORNE 87 SEAGATE ROAD
LONG SUTTON SPALDING

South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Drawing Ref: 071502-PD01-P1

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The brickwork and roofing tiles of the development hereby permitted shall match as closely as possible those of the principal existing dwelling on the site.

Reason: In the interests of the architectural and visual integrity of the overall development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy SG20 of the South Holland Local Plan 2006.

4 Prior to its installation, details of the proposed block paving shall be submitted to and approved in writing by the Local Planning Authority.

Note: In accordance with advice from the Internal Drainage Board this shall be 'permeable paving'

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This Condition is imposed in accordance with Policies SG11 and SG13 of the South Holland Local Plan 2006, and national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

5 Before the development is commenced, full details of the proposed soakaway system for the disposal of surface water from the development hereby permitted, including percolation test results, shall be submitted to and approved in writing by the Local Planning Authority. Should the percolation test results be considered unacceptable by the Local Planning Authority details of an alternative means of providing for surface water drainage shall be submitted for consideration. The approved means of surface water drainage shall be implemented in full before the development hereby permitted is first brought into use.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This Condition is imposed in accordance with Policies SG11 and SG13 of the South Holland Local Plan 2006, and national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

The Local Planning Authority has acted positively and proactively in determining this application, by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise and subsequently determining to grant planning permission within the statutory timeframe in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
