FLOOR PLANS & ELEVATIONS - PROPOSED.

Job Ref.	Drawing No.
1570-07.	03.
Date	Drawn
MAY '07.	GRM.

Scale
1/50.1/100.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All dimensions shown on this drawing including foundations are based upon typical site conditions indicated to the area. No responsibility can be accepted for abnormal ground conditions which may be discovered during excavation unless reported to the Architect so that variation / amendments may be considered. The Architect is not responsible in respect of foundations to excavation specific site conditions before construction work is undertaken. This drawing is limited in the amount of information contained and does not claim to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a sub contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof, it is the client or their appointed agents responsibility to obtain, commission, submit plan of variations, inspections to specialists, invitations to various stages due to be seen unless otherwise stated and all components and materials etc. to be used fitted and installed in strict accordance with the manufacturers instruction and relevant code of practice. Materials should also be to the appropriate current relevant specification, or BSA certificate or Kitemark approved. The Building Control should be notified at various stages of the construction to inspect the works, ensure all measures necessary to ensure compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to be notified under the CDM Regulations 1994 that a Planning Supervisor and a Principal Contractor will be required to be appointed in writing by the Client. In accordance with the Construction (Design And Management) Regulations an Independent Planning Supervisor will be required. The tender shall comprise of all that is shown on the drawing and details. Work / set may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included, it is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbours boundaries.
