Name	Long Sutton Parish Council
Address	.
Date Submitted	22-08-25
For/Against	Objections

The Council continue their objections to this site being developed and against amendments being approved to original plans in favour of the developer due to the S106 agreements resulting inn the overdevelopment of the town with no investment in the town's infrastructure and parish councils and the community missing out on funding due to SHDC refusal to adopt CIL which has seen developers continually benefit from reductions in hundreds of thousand of pounds in their S106 obligations
