Hi David,

Thanks for the update, that's good news.

I note that the one objection relates to litter. To provide a some further information, the restaurant has confirmed that there are five bins around the car park and restaurant. Litter picks are undertaken frequently and cover the restaurant and extend to Vicarage Lane. They are undertaken between 05:00 – 21:00 at least every 2 – 3 hours. In addition, the restaurant ensures that general waste is collected as well as any rubbish dropped by McDonald's customers.

I trust that this is helpful and that you will be writing up your report with a recommendation for approval.

If any issues arise in the meantime then please do get in contact.

Kind regards,

Clara
