TOWN AND COUNTRY PLANNING ACT 1990

APPROVAL REQUIRED BY CONDITION OF PERMISSION

Reference:	H11-0732-24	Date of Decision:	11th October 2024
Applicant:	Mrs F White Strawberry Cottage Millgate Whaplode St Catherine Spalding PE12 6SF		
Location:	Chase Farm 4 Vicarage Lane Long Sutton Spalding		
Description:	Details of boundary treatments, proposed lighting & waste bin designs, location & means of waste collection (Conditions 3, 6 & 7 of H11-0784-23)		

South Holland District Council hereby give notice that CONSENT HAS BEEN REFUSED for the details submitted for the purpose of discharging of conditions attached to the planning permission.

- 1 Insufficient detailed drawings and information have been submitted to adequately show the details associated with conditions 3, 6 and 7 which relate to fencing, lighting and waste bin and collection facility details. The height, design, colour, materials and appearance of the fencing, fence posts, and gates, and if gates are galvanised or powder coated should have been shown at a scale of 1:50 or 1:100 on plans, indicating their position on a scaled block plan showing which sections of fencing, lighting and waste bins are positioned in the locations proposed, and in relation to the position of the entrance gates.

The details require a design which complements the area and is not out of character. Insufficient detail has been submitted in relation to the number, size, position, height above ground, fixing details, if hooded, the direction, spread and angle of the lighting. The design of the lighting would need to demonstrate that light pollution would not occur.

The number, position, height, design and materials of the waste bins have not been provided. Exact details showing the information in plan form is required to discharge the conditions. Waste collection details should have been documented.

Without sufficient detail, it has not been demonstrated that the proposed details would be acceptable in the street scene and would not be detrimental to the character and appearance of the locality or detrimental to visual amenity. As such the details are considered contrary to conditions 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
