TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H11-0880-20 **Date of Decision:** 30th November 2020

Applicant: Mr D Brown
42 Station Road
Long Sutton
Spalding
PE12 9BP

Location: 42 Station Road Long Sutton Spalding

Description: Proposed First Floor Extension

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The proposed extension would relate well with the host property when it comes to the scale, height, design and external appearance. However, it conflicts with the provision of amenity standards to the residents of the adjoining property No. 44 which is the nearest one to the development.

No. 44 is the adjacent property to the south-east of the development. It is a detached bungalow within a corner plot and stands fairly set back from the edge of the highway. Thus, the dwelling appears in close proximity with the south-eastern boundary of the application site and the rear garden becomes heavily restricted in depth.

The height of the rear element will increase up to 6.60 metres after developing the proposed extension. The separation distances between the footprint of the two-storey element and the rear elevation of No. 44 range between 6.20 metres and 8 metres. At such distances, the first-floor extension would appear prominent within the sight line of the residents at No. 44. In addition to existing outbuildings and boundary treatment, the development would exacerbate the sense of enclosure from the curtilage of No. 44. Thus, the resulting two-storey element after developing the proposal would significantly create

an overbearing impact upon the residents of No. 44.

On balance, the development fails to promote high standard of amenity, ensure good relationship to existing development and maximise opportunities for improving the character and quality of the area. It therefore contravenes Policies 2 and 3 of the South East Lincolnshire Local Plan (SELLP), 2019; and Paragraph 127 of the National Planning Policy Framework (NPFF), 2019 which contain policy provisions concerning residential amenity.

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
