Application H11-0916-16
Location Station Road Long Sutton Spalding PE12 9BP
Proposal Proposed redevelopment of existing haulage yard for 40 dwellings

Name J Reith
Address Environmental Health Technician Safety and Environment

Date Submitted 12-10-16
For/Against Comments

Having considered the Site Investigation Report by Ground Engineering Ref. C13684 I request parts 3 and 4 of the contamination land condition relating to remediation and validation.

I would also add that we are currently investigating noise complaints made by surrounding residential properties relating to the commercial activities on this site. We therefore support the change of use to residential.
