Application	H11-0929-17
Location	32 Little London Long Sutton Spalding PE12 9LE
Proposal	Details submitted relating Phases I and II Geo-Environmental Assessment Report (Conditions 3 of H11-0198-17)

Name	J Reith
Address	Environmental Health Technician Safety and Environment
Date Submitted	25-10-17
For/Against	Comments

The Phase I and II Geo-Environmental Assessment by EPS Reference UK17.2688 dated 06 July 17 satisfies parts 1-3 of the contaminated land condition. The report has concluded that remediation is required on site, so therefore a validation report to evidence the remediation is required to discharge part 4 in due course.
