PROPOSED EXTENSION & ALTERATIONS AT SUTTON HOUSE HIGH STREET LONG SUTTON LINCS

for MR & MRS H MIDDLETON

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of Julian Warrick Architectural Design Consultant and is subject to copyright. It is issued on the condition that it is not copied, reproduced, retained or disclosed to any unauthorised person either wholly or in part without the consent of Julian Warrick Architectural Design Consultant. It must be returned on demand. Julian Warrick Architectural Design Consultant has prepared this drawing for the purpose of obtaining planning permission and building regulation approval and thereafter for the limited purposes of marketing, construction, maintenance, alteration and repair of the building forming part of this project. Julian Warrick Architectural Design Consultant will not be responsible for any use of this drawing for any purpose other than that for which it was prepared and provided. Dimensions should not be scaled from this drawing. Figured dimensions only are to be taken from this drawing. All dimensions are to be checked by the Contractor on site before work is put in hand or shop drawings are prepared. Julian Warrick Architectural Design Consultant is to be notified of any discrepancy. This drawing is to be read in conjunction with all relevant Engineer's, Specialist's and Manufacturer's drawings and specifications. Julian Warrick Architectural Design Consultant is not responsible for errors or omissions in information provided by others. All materials and workmanship are to comply with the relevant British Standard Specification or Code of Practice. Any proposals or changes made by the Contractor or sub-contractors must be submitted to Julian Warrick Architectural Design Consultant for approval before proceeding. The Contractor is responsible for the adequate temporary bracing and support of the structure during construction. Julian Warrick Architectural Design Consultant does not accept responsibility for any loss or damage caused by the Contractor's failure to comply with this requirement. The Contractor is responsible for ensuring that the building complies with Building Regulations and all other relevant statutory requirements. Julian Warrick Architectural Design Consultant does not accept responsibility for any work not inspected at the appropriate time. The Contractor is responsible for checking all dimensions relating to party walls, boundaries and off site information. Any discrepancies are to be notified to Julian Warrick Architectural Design Consultant before commencing work. The Contractor is responsible for the health and safety of all persons employed on the site and for maintaining adequate insurance cover. Julian Warrick Architectural Design Consultant is not responsible for the Contractor's methods of working, safety precautions or procedures. The Contractor is responsible for ensuring that adequate access and egress is maintained to the site and adjacent properties at all times. Julian Warrick Architectural Design Consultant is not responsible for the Contractor's programming, phasing or sequencing of the works. The Contractor is responsible for ensuring adequate liaison with the adjacent occupiers and for minimising disturbance, noise, pollution and obstruction. Julian Warrick Architectural Design Consultant is not responsible for the Contractor's compliance with the Party Wall etc. Act 1996, and the Contractor is responsible for serving all notices and obtaining all consents required by the Act. The Contractor is responsible for ensuring adequate liaison with the adjacent occupiers and for minimising disturbance, noise, pollution and obstruction. Julian Warrick Architectural Design Consultant is not responsible for the Contractor's compliance with the Party Wall etc. Act 1996, and the Contractor is responsible for serving all notices and obtaining all consents required by the Act. Work that may not specifically be mentioned in the drawings or specification but is necessary to carry out the intent of the drawings and specification shall be carried out by the Contractor as though fully described. Any discrepancies found between the drawings and specification and site conditions or any extras found necessary are to be referred to Julian Warrick Architectural Design Consultant before proceeding with the work affected. Work is to be carried out in accordance with the Construction (Design and Management) Regulations 2015 and the Contractor must be Asbestos Aware to the latest codes of practice.
