Application	H11-1008-21
Location	Adderley House, Stable Block 23 London Road Long Sutton PE12 6EA
Proposal	Conversion of existing barn into two dwellings including new rear extension and alterations

---

Name	Greg Watkinson
Address	Conservation Officer
Date Submitted	27-01-22
For/Against	Comments

Having reviewed the amended plans, i am satisfied that the applicant has addressed my original concerns and that the proposal represents an acceptable conversion of a Historic structure. The proposed rear extension/s are not overbearing to the host property, referencing the design and scale of the original lean-to. As the remainder of the proposal assists in retaining the character features and does so using sensitive materials, i wish to raise no further objections.
