South Holland District Council hereby give notice that CONSENT HAS BEEN GRANTED for the works in accordance with the application and plans submitted, subject to the following condition(s):

1 The works must be begun not later than the expiration of five years beginning with the date of this consent.

Reason: As required by Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

If Listed Building Consent has been granted for works which include whole or partial demolition of a listed building, your attention is drawn to Section 8 of the Planning (Listed Buildings and Conservation Areas) Act 1990, the effect of which is that demolition may not lawfully be undertaken (despite the grant of consent by the Local Planning Authority), until notice has been given to the Royal Commission on Historical Monuments, Shelley House, Acomb Road, York YO2 4HB and the Commission has either been given reasonable access to the building for at least one month following the grant of consent and before the commencement of the works, for the purpose of recording it, or has stated in writing that it has completed its record of the building or that it does not wish to record it.

The applicant is reminded that separate notification to the Council is required under Section 80 of the Building Act 1984 prior to any demolition and that Building Control Services should therefore be advised at the appropriate time.

This permission is granted in accordance with the application submitted as revised by the amended plan (Drg No 98/62/01A) received by the Local Planning Authority on 21st December 1998.
