Dear Sir/Madam

**TOWN AND COUNTRY PLANNING ACT 1990
AMENDMENT TO PROPOSED DEVELOPMENT**

I have received details of the above development which you wish to have accepted in lieu of those previously submitted. However, I consider that the changes are too significant to be treated merely as an amendment and that therefore a fresh application for planning permission should be submitted (forms enclosed).

This does not imply that permission will or will not be forthcoming in respect of such a revised application, and you are reminded that approval under the Building Regulations may also be required for the revised proposal.

Yours faithfully

Director of Planning and Building Control Services
