

Typical Section 1:200

Ordnance Datum Newlyn (ODN) 0.000

arable field

Total Site Area = 6714m2 (0.671ha,1.65 acres)

allotments

3.760 (approx.)

3.830 (approx.)

No. 21
Approx. Floor Level = 4.070 ODN

3.920 (approx.)

timber boundary fence

boundary line

drain

9m easement area for internal drianage board drain

overhead 33kV electricity cable - Wayleave dated 25th October 1963

approx. position of underground 11kV electricity cable

overhead 11kV electricity cable - Wayleave dated 14th December 1989

6m easement area for internal drianage board drain

timber electricity pole

guide wire

timber electricity pole

3.920 (approx.)

No. 33
Approx. Floor Level = 3.940 ODN

3.790 (approx.)

decommissioned sewer

ins water

4.920 (approx.)

public foul sewer

lamp post

mains water

timber electricity pole

4.400

manhole depth to invert - 3.38m

MP gas main

grass verge

public footpath

decommissioned sewer

overhead low voltage electricity cable

timber electricity pole

mains water

lamp post

MP gas main

4.020 (approx.)

public foul sewer (pumped)

Site Access

B R I D G E R O A D (B 1 3 5 9)

public foul sewer

mains water

public foul sewer (pumped)

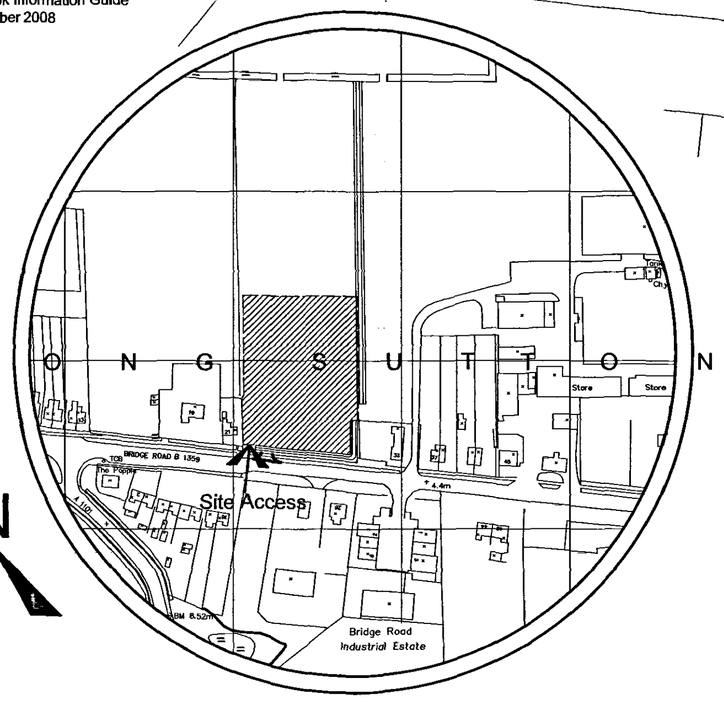

mains water

public foul sewer

MP gas main
