Application	H11-1053-24
Location	25 Market Place Long Sutton Spalding PE12 9JE
Proposal	Proposed advertisement panel above ATM machine

Name	Greg Watkinson
Address	Conservation Officer

Date Submitted	17-12-24
For/Against	Comments

No objections.

Typically, internally illuminated signage is not permissible within priority conservation area locations such as this. However, we have typically held that the fairings surrounding ATMs are acceptable due to the need for illumination around such a facility, and the inherent illumination already present with a screened device.
