South Holland District Council hereby give notice that CONSENT HAS BEEN REFUSED for the display of the advertisement(s) for the following reason(s):

1 In the opinion of the Local Planning Authority, the proposed fascia sign would be detrimental to i) the appearance of Long Sutton Conservation Area, which the Local Planning Authority has a statutory duty to preserve or enhance; and ii) the setting of adjacent Listed Buildings (including St Marys Church, which has Grade I status). As such, the proposal is contrary to Long Sutton and Sutton Bridge Local Plan Policies EN3 and EN4, as well as Conservation Area Policy 9. These seek to ensure, inter alia, that new development is in character with the Conservation Area and not detrimental to the setting of Listed Buildings.

REASON FOR COMMITTEE CONSIDERATION

Recommendation of refusal.

25 JAN 1994

RECOMMENDATION

Refuse permission.

1 *In the opinion of the Local Planning Authority, the proposed fascia sign would be detrimental to the visual amenities of Long Sutton Conservation Area and also adjacent Listed Buildings (including St Marys Church, which has Grade I status). As such, the proposal is contrary to Long Sutton and Sutton Bridge Local Plan Policies EN3 and EN4, as well as Conservation Area Policy 9. These seek to ensure, inter alia, that new development is in character with the Conservation Area and not detrimental to the setting of Listed Buildings.*

COMMENTS

1 Site within Long Sutton Conservation Area, as such main consideration is whether proposal protects or enhances character of area.

2 Exiting signage consists of individual lettering and associated logo. It is proposed to replace this with a perspex black box fascia with white lettering (letters only illuminated), plus projecting logo sign.

3 It is my opinion that the replacement signage is utilitarian and detrimental to the visual amenities of the Conservation Area. The site is also adjacent to St Mary's Church, which is a Grade I Listed Building.

South Holland District Council hereby give notice
that permission has been refused etc
for the following reasons:

1 In the opinion of the Local Planning Authority, the proposed fascia sign would be detrimental to i) the appearance of Long Sutton Conservation Area which the Local Planning Authority has a statutory duty to preserve or enhance; and ii) the setting of adjacent Listed Buildings (including St Marys Church, which has Grade I status). As such, the proposal is contrary to Long Sutton and Sutton Bridge Local Plan Policies EN3 and EN4, as well as Conservation Area Policy 9. These seek to ensure, inter alia, that new development is in character with the Conservation Area and not detrimental to the setting of Listed Buildings.
