Application H11-1129-21
Location Rear of 16 Market Place Long Sutton Spalding PE12 9JF
Proposal Demolition of rear single storey building and erection of 2 flats

Name Greg Watkinson
Address Conservation Officer

Date Submitted 18-11-21
For/Against Comments

I have no major conservation concerns with this development, particularly as the structure it is intended to demolish doesn't appear to hold any particular value to the Historic Environment.

Otherwise, the officer should consider this application upon all standard requirements of Policy 29 of the SELLP (2019) and Section 16 of the NPPF (2021)
