PLEASE COMP

1. **APPLICANT'S INTEREST**
Please state interest in site (eg. owner, agent, purchaser)
(Please remember to indicate on the location plan the site to which your application relates)

OWNER

2. **OWNERSHIP OF THE SITE**
This certificate should be completed after all reasonable enquiries have been made to establish the names of all those who were owners of the land to which the application relates on the day 21 days before the date of the application. Failure to do so may result in the application being invalidated.

If the applicant is the sole owner of the whole site, complete Certificate A.
In any other case, the applicant will be a freeholder, leaseholder, purchaser, or a tenant with a sufficient interest in the site to enable the development to be carried out, or will be the owner of only part of the site. In these circumstances you must give notice to all other owners and complete Certificate B.
(An "owner" is a person having a freehold interest or having a leasehold interest with at least 7 years to run. Where the land is subject to a mortgage, the mortgagee will normally be regarded as the owner. Where the land is owned by more than one person, you may need to complete more than one certificate. Please see the guidance notes for further information.)

Certificate A I certify that, except as stated below, nobody was the owner of any part of the land to which the application relates at the beginning of the period of 21 days ending with the date of the application.

Signed: ..... (Applicant) (Agent) Date: 8.12.99

Certificate B I certify that the applicant has given the required notice to everyone else who was the owner of any part of the land to which the application relates at the beginning of the period of 21 days ending with the date of the application, as listed below:

Address at which notice was served: .....
Date notice served: .....

Signed: ..... (Applicant) (Agent) Date: .....

3. **AGRICULTURAL HOLDINGS CERTIFICATE**
If the land is not in agricultural use complete Certificate 1.
If the land is agricultural, but farmed by the owner and there is no agricultural tenant, complete Certificate 1.
If the site does relate to an Agricultural Holding, you must give notice to the tenant and complete Certificate 2. If you are the sole agricultural tenant yourself, sign certificate 2 but insert 'not applicable' in the tenant details.

Certificate 1 None of the land to which the application relates is part of an agricultural holding.

Signed: ..... (Applicant) (Agent) Date: 8.12.99

Certificate 2 I certify that the applicant has given the required notice to every other person who was a tenant of an agricultural holding on the day 21 days ending with the date of the application, as listed below:
