Scales
1/50. 1/100.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal ground conditions which may require additional foundation work and only after inspection of the site can design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the extent of information contained and does not purport to contain a full specification of the works. It is essential that the Contractor and Sub-Contractors read this drawing in conjunction with any Specification issued as contract document during the works and not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.All workmanship and materials shall be executed in accordance with the requirements of the current Building and Isolated etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for the works and that the Principal Contractor and Sub-Contractors are competent and adequate to comply with the Construction Design and Management Regulations or Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work not detailed or described but which is to be reasonably inferred from the contract shall be carried out as should be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
