South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

3 The resulting stump of the oak tree to be removed, should be ground out to at least 300mm below ground level, to help reduce the risk of the stump harbouring decay fungi which could infect nearby trees.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Please note that the removal of dead wood can be carried out without the need to submit a formal written application for works.
All works to British Standard 3998 2010 and due regard taken of any Protected Species under the Wildlife and Countryside Act 1981 (as amended). The removal of dead wood is included in the description for completeness as is the removal of ivy.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird

while it is in use or being built. In the event of query please contact Natural England on Tel: 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England on Tel: 03000 603900 before works proceed.
