South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

- 1 The site is outside the confines of a settlement in an area where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to Structure Plan Policies 6a and 7a and District Local Plan Policies H3 and H5. These are in accordance with National Planning Policies as set out in Planning Policy Guidance Note No. 7, 1997 (The Countryside - Environmental Quality and Economic and Social Development), and are aimed at the conservation of agricultural land and the preservation of the character of the countryside. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purpose of these policies, because as well as its individual effect on these issues, it would encourage further similar proposals which would be difficult to resist.
