TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H12-0235-16 **Date of Decision:** 10th June 2016

Applicant: Pure Leisure Group Ltd
C/O Ejw Planning Limited
Lincoln Barn
Norwich Road
Scoulton Norfolk
NR9 4NP

Location: Silverhill Caravan And Holiday Park Lutton Gowts Lutton Spalding

Description: Five detached dwellings with garages and associated access

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The site is located within an area identified as open countryside, some 275 metres north of Long Sutton Development Boundary as defined in both the South Holland Local Plan, 2006 and emerging South East Lincolnshire Local Plan. It is not closely related to an established settlement limit and is approximately 1.8km from the centre of Long Sutton, where the main services and facilities are situated. It is not on a regular public transport route and there is no continuous footway link from the site to Long Sutton. As a consequence, future occupiers would be likely to have a high dependence on the use of motor vehicles to access local services which, no matter the distance of travel involved, would be contrary to one of the core planning principles to make the fullest use of public transport. Moreover, the reliance on the motor car would increase carbon emissions, contrary to the requirements of the environmental role of planning.

Also, the proposal would constitute a consolidation of existing development in the countryside, to the detriment of its existing rural character.

Consequently, the site is not considered to be a suitable site for housing with particular

regards to the principles of sustainable development and the protection of the character of the countryside. It is therefore contrary to Policies SG1, SG2 and SG4 of the South Holland Local Plan and Paragraphs 14, 17, 49 and 55 of the National Planning Policy Framework, 2012. Paragraphs 14, 17 and 49 indicate that new housing should be in a sustainable location and contribute towards protecting and enhancing the environment. Paragraph 55 stresses that local planning authorities should avoid new homes in the countryside, unless there are special circumstances.

2 The finished floor levels proposed within the Flood Risk Assessment (FRA) would be set lower than the minimum 1.0m above ground level requested by the Environment Agency. Consequently, the proposal does not provide the necessary mitigation to ensure the properties would not be flooded for the lifetime of the development and that the development and its future occupants would be safe from the harmful effects of flooding. The proposal is therefore contrary to advice within Section 10 of the National Planning Policy Framework, 2012.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reasons for the refusal, that approval has not been possible.

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning

permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
