4. Description of Proposed Works

Please describe the proposed works:

A sectional precast garage was erected on the under standing that planning permission would not be necessary for this type of building. The roof now needs replacement and in order to do this I would need to raise the roofline to 3.85m maximum. Having made initial enquiries with the planning department regarding this it became clear that may be planning may have been necessary for the original works. I am therefore making a retrospective application for planning permission taking in to account the replacement of the roof. The replacement roof would be in a lightweight plastic slate effect tile to compliment the existing slate bungalow.
