Reason: To ensure a satisfactory development, in the interests of the visual amenities of the rural locality.

The landscaping scheme should include the retention of existing trees upon the site, as far as possible.

The applicant is reminded that separate notification to the Council is required under Section 80 of the Building Act 1984 prior to any demolition and that Building Control Services should therefore be advised at the appropriate time.

The applicant is reminded of the existence of a public footpath running along the southern and western boundaries of the site.
