Hi David,

Sorry a bit late getting back to you but had problems with computer. Please find attached photos of the bricks requesting to use and the make of the bricks to blend in with the surrounding properties.

Thank you for your help in this matter.

Dear Mr and Mrs Bibby,

You have indicated that the proposed brick is an Ibstock Multi Red. I am unable to find a brick with exactly this name. Could you be more precise please, or provide a photograph or scan from the relevant catalogue.

Many thanks.

David Gedney
