Planning Statement 2 School Lane

Applicant Mr M Ludlam

For clarification of parking arrangements.

The Area highlighted for parking forms part of the village hall which permission and support is agreed that parents can drop off and collect children from the setting using the car park. It is not considered that cars are to be parked in the area for any more than the time taken to drop off or collect children from the setting. This car park provides vehicle access to the setting at number 2 school lane. It is considered safe and away from any moving road traffic.

Pictures of the car park and associated fit for purpose access are provided.
