Dear Sir/Madam

PROPOSED AMENDMENT

The amended details submitted in respect of the above proposal have been received but I consider that to treat this as an amendment would not be appropriate because either the changes are too significant or certain details have changed so that amending the application is not appropriate. **A fresh application will therefore be required** (forms enclosed). This does not imply that premission will or will not be forthcoming for any such revised application.

You are reminded that a fee may be required for the revised application. Further advice may be obtained from this office.

You are also reminded that Building Regulations approval may also be required for the revised proposal.

Yours faithfully

Director of Housing and Planning Services
