Both windows have been fitted with a restrictor cable system.
Pictures will be emailed over.
These cable restrict the opening of the windows to approx 100mm
The keys have been removed from the property to ensure that residents can not undo the restricting system.

6. Discharge of Conditions

The system was shown to Building control on their last visit to ensure that they were happy with the system being used on the windows. The restrictor works by fixing to both window sashes using screws and is connected by a short pvc coated steel cable.
