Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Number 2 School Lane . To remain as residential use providing full time residential living, however to care for up to 16 children as a childminder on domestic premises agreed by and in accordance with Ofsted regulations and Lincolnshire County Council.

To provide this service from 07:00 to 18:00 Monday to Friday only, This being sociable hours with No early morning, Evening or weekend working. Causing no disturbance to the local vicinity during hours of relaxation, i.e Evening and Weekends.

It is also anticipated that children will only be able to play outside from 08:30 hours.

4 staff at any one time. 3 of which are from the host family. This having a minimal carbon footprint.

This service is to meet the ever increasing demand in the village and surrounding area working closely with the local schools and church.

The location is ideally situated in the center of the village, in what was the original school for the village. It is only attached to the Village Hall, and has the full blessing from the village hall committee.

It has its own vehicle access from the main road through the centre of the village and ample off street car parking, in the car park for the safe and secure drop off and collection of children, causing no disruption to other residents/increase in volume of traffic other than that of the potential 'normal' of a fully functioning village hall and associated meetings, bookings and events.

As mentioned the premises was once the village school and school house and we view this as being a well needed and called for asset to the village of Lutton, the village school, community and church. keeping the carbon foot print to a minimum allowing for village children to attend by foot/bike.
